MEMORANDUM

October 29, 2007

TO: NCAA Division I, II and III Coordinators of Women's Basketball Officials.
FROM: Debbie Williamson
NCAA Women's Basketball Secretary-Rules Editor
SUBJECT: "Think Pink" Initiative.

To encourage participation and support of the "Think Pink" initiative, during the week of February 8-17, the rules requiring headbands and wristbands to be the predominant color of the jersey, white, black or beige shall be expanded to include pink.

The rule requiring each team member to be uniform in color shall be maintained and enforced. Therefore, team members may uniformly wear pink headbands or wristbands with their dark (visitors) or light (home) uniforms. NOTE: Teams must comply with all other headband rules.

Further, uniforms must comply with the uniform standards as referenced in Rule 3-5 of the 2008 NCAA Men's and Women's Basketball Rules and Interpretations. Pink shooting shirts and socks are permitted, provided they bear only one manufacturer or distributor's logo, label or trademark. There are no rules governing shoe laces, therefore pink shoe laces are permitted.

Please do not hesitate to contact me if you have questions.
