**Focus on Family Time**
A decrease in the experience gift market means an increase in meaningful physical gifts that foster a sense of togetherness.

**Think Sustainably**
Disposable, single-use plastic gifts are out this year. What’s in? Cozy comforts that help us settle in for a long winter.

**Seek the Great Outdoors**
The popularity of outdoor activities has risen through the roof in the last year, and we’re not letting a little rain or snow stop us from enjoying our time outside.
