Carbon neutral styles to lower your impact.

**Port Authority® C-FREE™ carbon neutral polos and 1/4-zip not only feel good, they do good**

With C-FREE, we measured the carbon footprint of these styles and we’re neutralizing their impact with Carbonfree® certification. By purchasing carbon offsets, we are removing an equivalent amount of emissions elsewhere in the environment. Offsets are generated by third-party, verified energy efficiency, renewable energy or forestry carbon offset projects.

**Carbonfree® certification: Reduce what you can, offset what you can’t™**

The Carbonfree® Product Certification is a meaningful, transparent way for you to enjoy environmentally-responsible, carbon neutral products. With C-FREE’s Carbonfree® certification, you can buy with confidence—knowing this apparel has had its carbon footprint determined and associated carbon emissions offset with reduction projects.

**Lower carbon footprint, not lower performance**

Made from recycled polyester, our C-FREE styles are also snag-proof and moisture-wicking, so you can make a bigger impact in your office or workplace while making a smaller environmental impact.
