Carbon neutral styles to lower your impact.

Port Authority® C-FREE™ carbon neutral polos and 1/4-zip not only feel good, they do good

With C-FREE, we measured the carbon footprint of these styles and we’re neutralizing their impact with Carbonfree® certification. By purchasing carbon offsets, we are removing an equivalent amount of emissions elsewhere in the environment. Offsets are generated by third-party, verified energy efficiency, renewable energy or forestry carbon offset projects.

Carbonfree® certification: Reduce what you can, offset what you can’t™

The Carbonfree® Product Certification is a meaningful, transparent way for you to enjoy environmentally-responsible, carbon neutral products. With C-FREE’s Carbonfree® certification, you can buy with confidence—knowing this apparel has had its carbon footprint determined and associated carbon emissions offset with reduction projects.

Lower carbon footprint, not lower performance

Made from recycled polyester, our C-FREE styles are also snag-proof and moisture-wicking, so you can make a bigger impact in your office or workplace while making a smaller environmental impact.
