TAKE THE GUESSING OUT OF **GIFT GIVING** THIS YEAR

Americans spend **6.96 billion hours** a year looking for gifts for family, friends, customers and special events. Save your clients time and money by **making it easy for them to select the perfect gift** for their needs.

Let us help you find the perfect way to congratulate a team member, spark an idea with a giveaway or thank a customer for their business.

REWARDS & RECOGNITION

Bring a smile to someone's face with a **reward** that **cheers on success** for achieving a goal or for a **job well done**.

Company incentive programs continue to grow, with businesses investing \$77 billion this year in non-cash rewards. Thoughtful gifts acknowledge an employee's accomplishments, build teamwork and lead to a more productive workplace.

INSPIRATIONAL EVENTS & CAUSES

More than just a gift, these items **inspire** others to **support a cause**, remember an event and say **thank you for paying it forward**.

Charitable giving has increased for more than five years, with an estimated \$373 billion donated to charitable causes in 2015. Logos add a perceived value to the items gifted to supporters. They also give supporters a chance to show off their passion for a cause or their excitement for an event.

HOLIDAY GIVING

Leave a lasting impression with your customer by **giving a thoughtful gift that celebrates your year of working with them**.

More than 60% of businesses give gifts to employees and customers during the holiday season to show their appreciation for their relationship and their hard work over the past year. Nearly 75% of those gifts sport a company logo to help build brand recognition and team spirit.
